Honourable Guardians,

The lack of standard Bangla & English Version School surrounding Farmgate is noticeable. There is a crying need for a quality school in the adjacent areas of Farmgate, Razabazar, Khamarbari, Monipuripara, Nakhapara, Tejturihazar, Tejkunipara, Shahinbag, Indira Road, Kathalagan & Panthapath. We have come forward to meet this very need of yours. Our main objective is to ensure the skill based knowledge for the students. Undoubtedly, every child is talented. Our prime endeavour will always be to discover the latent talent. To provide greater opportunity for shaping a moral life along with best academic excellence is also an important motto. To achieve this goal, concerned authority is highly devoted to take any sort of positive and pragmatic steps.
